RISER Custom

Inquiries into population registers via RISER can be made using two different methods:

1. As a single (interactive) inquiry, by entering the data directly on screen.
2. The second (bulk inquiry) option provides you with the capability of transferring a number of inquiries in a single job through passing inquiries to the RISER system as a specially formulated file.

has been designed
ty standards and
ements. Thus you

can be assured that only authorised persons will have access to your collected data.

Your Request 3/8

On this page you are asked to select the country corresponding to the address of your inquiry.

The inquiry masks differ per country, as a result of the different requirements of the national population registers.

Inquiry Basket

User: Amber Donkervoort

Please choose the country where the inquiry shall be made.

Country of request	 Germany
	 Austria
	 Ireland
	 Estonia
	 Hungary

To inquiry basket Finish

Your Request 4/8

In the second step, indicate required information of the requested person.

Please enter zip and/or city name

Zip code	<input type="text" value="44225"/>	City	<input type="text"/>
----------	------------------------------------	------	----------------------

Please enter lastname and first name

Last name	<input type="text" value="Nene"/>
First name	<input type="text" value="Balle"/>

Please, give from the following information so

Gender	<input type="radio"/> unspecified <input type="radio"/> male <input checked="" type="radio"/> female		
Date of birth	<input type="text" value="09.06.1976"/> (Format: DD.MM.YYYY)		
Street	<input type="text" value="Leostraße"/>	House number	<input type="text" value="10"/>

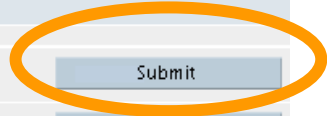

Reference fields for your internal purposes

Your reference	<input type="text" value="AD-002"/>
----------------	-------------------------------------

Submit and show inquiry basket	<input type="button" value="Submit"/>
Cancel this single request	<input type="button" value="Back"/>

Here you can enter your inquiry details according to the onscreen instructions. Due to the automatic qualification measures executed automatically by the RISER Service we recommend to fill in as much details about the person requested as possible.

When you have filled in as much as possible, you can submit your inquiry.

Your Request 5/8

On this page you can upload your csv-file and enter a reference number; this can later be used to identify your inquiry.

You can also choose the way you wish to be notified when your request results are processed (via SMS or e-mail).
